

FOR SALE: 2011 Genesis Latitude 20 - 16" Frame

£760 (RRP £1599.99)

Owned since June 2011, but has only seen a year of use (bit on the small side for me and new bike replaced it). Overall condition is really good, with the usual stone chips and signs of use. Cranks have the standard wear from shoe rub and there is slight wear to fork stanchions, although this shouldn't affect function.
